Explore top destinations in Australia and Southeast Asia on one incredible cruise. An overnight in Cairns gives you ample time to take a train ride through the rainforest, learn about the country's indigenous people - and pick up some boomerang skills at Tjapuki Aboriginal Culture Park. In Darwin, discover the city's vibrant gardens and authentic Aboriginal art. Fantastic snorkeling and diving abound along Indonesia's Komodo Island. And two days in Bali with time to explore the island's iconic stone temples and behold panoramas of the lush countryside and crystal waters.

Take in some of the world's most exotic destinations on this fascinating Southeast Asia cruise. Before departing from Singapore, take time to explore this compact, global city-state, with its British colonial architecture, Chinese quarter and vibrant Hindu temples. Visit Bangkok's Royal Palace — scene of the true story of Anna and the King of Siam, this massive complex of carved and gilded buildings still used by the Thai royalty. In Ho Chi Minh City, admire the city's lovely pagodas, French colonial architecture and broad boulevards. Drink in the exquisite beauty of Ha Long Bay with its breathtaking monolithic limestone islands ending in exciting Hong Kong.
